## DAY CARE LESSONS

# ICEKATEERS

Icekateers is a four-week introduction to skating specifically designed for Day Cares.

A play-filled program introduces children to the ice in a safe and creative environment.

Professional instructors help the youngest skaters develop coordination and the strength necessary to move on the ice with confidence.

AND each lesson ends with stickers!

Lessons are 30 minutes

PLUS Icekateers can stay afterwards for scheduled matinee skate sessions

to practice what they've learned.

*Day care providers may be asked to assist instructors during lessons and are asked to supervise their group if skating during matinee skate sessions.*

**FOR** Ages 2½ to 6

**WHEN** Wednesdays; September 21 – October 12  
Time: 10:45 - 11:15 AM
